

Marshmallow Shooters

Supplies:

- 1 clean paper or plastic cup
- 1 balloon
- 1 pair of scissors
- Marshmallows

Steps:

1. Cut the bottom off the cup with the scissors.
2. Tie a knot at the neck of the balloon and snip off the tip.
3. Stretch the balloon over the top of the cup.
4. Pop your "missile" into the cup.
5. Fire the missile by pulling the knotted neck of the balloon and letting go. You will be surprised at how far it can travel.
