

## Outdoor Scavenger Hunt

On the libraries website, you will find an outdoor Scavenger Hunt available to print! You can print it at home or you can come to the library to pick up a Scavenger Hunt paper!

Instructions are simple... walk around your yard, community, family members place, etc and try and find the items on your Scavenger Hunt paper.

Challenge a parent, or sibling... see who can find everything on the paper first!

Hint: Bring a bag with you to put your findings in so they are easy to carry. Good Luck!

If you pick up a laminated copy from the library, please return it when you are finished playing the game.
