

Water Balloon Piñata

Supplies:

1. String
2. Rope or clothes line
3. Balloons – supplied by the library
4. Water
5. Stick or bat

Steps:

1. Tie the rope between two strong posts or branches. Secure with double knots and make sure the rope is sturdy.

TIP: If you have a clothes line that would work too!

2. Fill your balloons with water.
3. Cut a piece of strong string, and tie one end to the balloon.
4. Tie the other end to the strong rope or clothes line.
5. Using a stick or bat, swing at a balloon until it bursts!

Challenge yourself: Use a blindfold!
