### Driving Miss Norma

by **Tim Bauerschmidt & Ramie Liddle**  
(obtained by Interlibrary loan)

Norma Bauerschmidt's husband Leo had just died when she got the diagnosis – she could spend her last days on earth in a hospital or she go traveling...

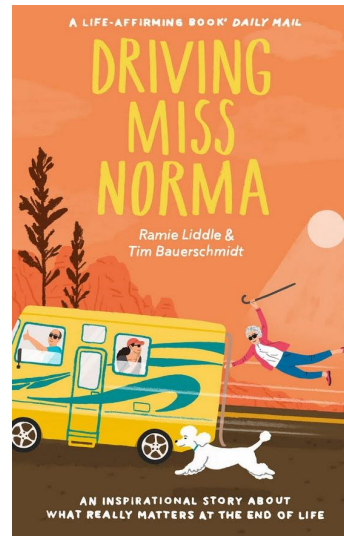

It's not every ninety-year-old senior who, on being diagnosed with uterine cancer, chooses to spend the time she has left traveling in a motorhome across the States with her son and daughter-in-law!

This book is written by Tim & Ramie about the places they went and the fun they had. The first place they visited was Mount Rushmore and Norma had a blast! Norma & Leo had talked about taking a hot-air balloon ride, cut newspaper clippings out about flights, but never did. Ramie and Tim made it happen for Norma!

The chapter titles read like an itinerary for a tour company trip schedule. It's not a sad book as Norma is mobile and in very good health otherwise.

What would you have chosen?

## TD SUMMER READING PROGRAM 2018!

It's that time of year, The theme for this year is **"Explore and Discover"**! What fires your spirit, excites your mind and influences your choices? Join the Summer Reading Program, and read, read, read all summer long! You can win for your efforts!

**Summer Reading Program re-vamped...** You no longer have to attend the craft programs to participate. Love to read but can't come or you are too old to join our activity groups, this is a great way to earn a chance at some prizes. Simply get the reading logs and submit weekly. We will be counting the minutes that you read, and everyone has the chance of winning a prize! You will receive a "Frequent

Reader Card" in your swag bag upon registration. This card will have each week's number on it. When you hand in your reading log each week, that weeks number will get stamped by a library clerk. Once your card is stamped full, you can hand it in to receive your book reward and also qualify for the prizes. Keep this card in a safe place so it can be stamped weekly. You will need to hand in a reading log every week (one log for one week!). Additional logs may be handed in but one reading log will count for that week's stamp. There will also be a **prize** for the **child who reads the most minutes** throughout the summer. Every week you

The program is running from July 10th—August 30th, 2018! A **3 to 6 year old program** will run every Tuesday and Thursday from 1:00 – 2:00 pm. A parent or guardian is required to stay in the library in case a need arises for the younger children.

## WHAT AM I?

- I am flat as a leaf, round as a ring; Has two eyes, can't see a thing. What am I?
- I have hundreds of legs but I can only lean; You make me dirty when you clean. What am I?
- I always follow you around, everywhere you go at night. I look very bright to people, but I can make the sun dark. I can be in many different forms and shapes. What am I?
- I reach for the sky, but clutch to the ground; sometimes I leave, but I am always around. What am I?
- I love to dance and twist and prance, I shake my tail, as away I sail, wingless I fly into the sky. What am I?
- I come in different shapes and sizes. Part of me are curves, others are straight. You can put me anywhere you like, but there is only one right place for me. What am I?
- I can be hot, I can be cold, I can run and I can be still, I can be hard and I can be soft. What am I?
- You find me once in the morning, twice in the afternoon but never in the evening. What am I?
- Sometimes I go backwards but often I go forward, I can trip, I can dance. Just play the right music and I'll even do the conga. What am I?
- Fill me up with hot or cold, put anything in me I'll make sure I'll hold. What am I?
- I am a beer, however many kids drink me and love it. What am I?
- I am a ball yet I can't bounce up and down, I am often yellow, white or green. Even though they seem to be sad people still cut me. What am I?
- I can jump, I can climb, I swing from tree to tree with my many legs and I make a house much bigger than myself. What am I?

### NEW AND IMPROVED ELIBRARIES APP CALLED "LIBBY"

Do you have a smartphone, ipad, tablet or ereader and would like to access ebooks to read on your device? Ebooks are electronic books that are available to you as a patron of the library. You can access them with an internet connection and once they're downloaded you can read them without the internet. It's a great

option if your going camping or to the cottage as once your loan period is up, the book just disappears from your account, no books to physically return to the library. Libby defaults to a loan period of 14 days but you can change it to 7 or 21 prior to checkout. The library has a Libby App pamphlet which is a great how-to tool for first

time Libby users. If you want one you can pick one up at the library or you can give Jen a call at 204-367-8443 and I can email it to you!  
 Happy Reading!
