Delivery Options

**BOOK
DELIVERY**

Service to You

Residents 55+ with transportation needs can have books delivered or may request a volunteer to drive them to and from the library so they can choose their own books. If you are unable to get to the library on your own, this service is for you.

How Does It Work?

If you choose books to be delivered we ask for specifics such as favourite authors or genres to help us pick books for you. You can also choose the books by using our online services.

Delivery or transportation will be set up on a day that is convenient for you and the volunteer driver.

Deliveries/transportation will happen every 2-3 weeks upon your request and the driver availability.

Want Specific Titles

To check titles and availability online go to

www.allardlibrary.com If

you have a user name and password click my account (upper right corner of webpage) and search to your heart's content. You can login and place holds on material or simply write them down and contact us for the staff to pull the titles. Make sure to include the author name as there are some duplicate titles. When you contact us let us know that is it for Delivery Options and your name.

If you don't know your user name and password please contact the library so we can provide it for you.
